STEP ONE

Start by using our top-rated home study program. At your convenience and in the comfort of your own home review the study guide and watch the full motion DVD.

STEP TWO

This section of the program involves a short lecture session with an Instructor to remind you of the essential concepts and skills needed to safely scuba dive. This session can even be tailor made to cover subject areas you specifically want to go over, as well as covering changes in diving techniques, procedures and new technology. The pool session helps you become comfortable with your dive equipment under the guidance of our professional staff.

STEP THREE

LETS GO DIVING! You are now ready to set off again on scuba dive trips. You can even join one of our trips, either a **CHECK OUT DIVE** in the Springs or on one of our **BOAT DIVE TRIPS**.

So...who is

Adventure Sports II Inc. has been sharing scuba diving adventures with local residents since 1989. We love introducing people to the beautiful, underwater world. With our highly trained instructor staff, Adventure Sports II offers a variety of training levels from Snorkel Diver to Instructor!

And we don't stop there... Adventure Sports II Dive Club keeps its members wet throughout the year from local trips and activities, and dream vacations to exotic destinations.

Come along...Join Adventure Sports II for a lifetime of fun and adventure! Bring your family and friends!
SEAYA SOON!

Adventure Sports II Guarantee:

We all dive because we have a great time doing it. For this very reason we believe you should have a great time in your scuba program. If, for any reason you feel we have not provided a fun and educational program for you, we will happily refund cost of the tuition. **We Guarantee it!**

Some Important Things To Understand:

- **What do you need for class?** The fees from STEP 1 and 2 cover everything except your Personal Equipment System (mask, snorkel, fins, boots, weights and weight belt) & SSI Dive Log.
- **What is covered during this course? You will review such topics as: pressure, Equalization techniques, breathing patterns, buoyancy control, ascents, dive planning and the use of the dive tables, and new equipment.**
- **What do you need for the open water dives?** There are NO open water dives needed for the Scuba Skills Update program. We do encourage and invite you to join us on one of our Open Water Trips if you so desire.
- **What if I already own some equipment?** Please let us check all of your existing equipment to make sure it meets the necessary safety standards. Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
- **Will you have fun? We guarantee it!**
- **Any more questions, call us at (334) 269-3483.** Your comfort with our training program is very important to us.
- **Or stop by! Our hours are:** Mon-Fri 10:00-6:00
Sat 10:00-1:00.
