Just 3 easy steps...

You can start STEP ONE today!

STEP ONE

Why wait? Start your adventure today with the 'bible' of fish identification. At your convenience, and in the comfort of your own home, you review the text. Perhaps even compliment this amazing text with another about fish behavior. **STEP ONE** prepares and enables you to comfortably understand and complete **STEPS TWO & THREE**.

STEP TWO

Answer questions like: What was that fish with the thing on its head? Did you see that fish? What was it? The one with white lips, what are those called? Then its off to the water (Step 3).

STEP THREE

Let's GO DIVING! You will join your instructor for two exciting scuba dives. It is there you will apply all the knowledge and skills from **STEPS ONE & TWO!** **NOTE:** You can make these dives locally, or join us on a scheduled trip to various beautiful reefs. We can also arrange a referral if you already have a dive destination planned.

Congratulations... You're a SPECIALTY DIVER!
