Some Important Things To Understand:

- **What do you need for class?** The fees from STEP 1,2 and 3 cover everything except your Total Diving System (TDS) and an Underwater Camera system. **Camera systems are available for rental** if you do not own your own camera. Film and processing costs are the divers responsibility.
- **How much is a rental camera system?** We have six Sealife Reefmaster RC camera systems for rent. We have a special student rate of \$10.00 for Step 2, and \$25.00 for Step 3. Daily, weekend and weekly rates are also available.
- **When do I need to have the "TDS" and U/W Camera System?** Each Diver will need to purchase, own or rent their "TDS" and U/W Camera system for Step 2 and Step 3. Film will be needed for pool and open water.
- **Can I use my existing equipment?** Yes... But Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
- **Is your certification international?** Yes... Adventure Sports II certifies under SSI (Scuba Schools International), one of the largest international certification agencies in the world.
- **Will you have fun? We guarantee it!**
- **Any more questions, call Tom or Richard at (334) 269-3483.** Your comfort with our training program is very important to us.
