Some Important Things To Understand:

- **What do you need for class?** The fees from STEP 1,2 and 3 cover everything except your Total Diving System (TDS). There will also be some Accessory and Special Purpose Equipment required for the Specialty Dives. This includes a cave reel, a primary and backup flashlight and a 7 ft octopus hose.
- **When do I need to have the "TDS", Accessory and Special Purpose Equipment?** Each Diver will need to purchase, own or rent their "TDS" for the Open Water Dives. Accessory and Special Purpose Equipment will need to be purchased prior to the dives.
- **Can I use my existing equipment?** Yes.... But Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
- **Is your certification international?** Yes... Adventure Sports II certifies under NSS (National Speleological Society), one of the largest international cavern and cave certification agencies in the world.
