Some Important Things To Understand:

- **What do you need for class?** The fees from STEP 1, 2 and 3 cover everything except your Total Diving System (TDS). There will also be required for the dive a primary and a backup light, underwater compass, slate, knife, and timing device.
- **When do I need to have the "TDS", Accessory and Special Purpose Equipment?** Each Diver will need to purchase, own or rent their "TDS" for the Open Water Dives. Accessory and Special Purpose Equipment will need to be purchased prior to the dives.
- **Can I use my existing equipment?** Yes.... But Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
- **Do I need to buy the videos?** No..... Each diver must **watch** the 4 short videos. You can either add these 4 valuable videos to your video collection for only \$79.95 or wait and watch the videos as part of step 2. Videos can not be rented.
- **Is your certification international?** Yes... Adventure Sports II certifies under SSI (Scuba Schools International), one of the largest international certification agencies in the world.
- **Will you have fun? We guarantee it!**
