Some Important Things To Understand:

- **What do you need for class?** The fees from STEP 1 and 2 cover everything except your Personal Equipment System (mask, snorkel, fins, boots, and weight belt).
- **What do you need for the open water dives?** The fees from STEP 3 do **not** cover food, transportation, lodging or use of the Total Dive System or wetsuit. If you have not purchased your own equipment by this time, you can rent this equipment for a special student rate .
- **How soon do you need your Personal Equipment System?** Please do not purchase any equipment until we have met with you. Adventure Sports II will reserve a time for you to be properly fitted into your Personal Equipment System prior to the first pool session.
- **What if I already own some equipment?** Please let us check all of your existing equipment to make sure it meets the necessary safety standards. Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
